About CAS

We exist to ensure the sector is supported, safe and sustainable. We provide (or signpost) whatever is needed behind the scenes to enable this, so the sector can concentrate on doing what it does best – making Suffolk an incredible place in which to live and work.

CAS supports organisations in the sector to enable them to operate more effectively. We provide a voice for organisations and groups who may not otherwise be heard and represent their interests to the private and public sectors. We do this through conferences, workshops, events, specialist networks, and by consultation with the sector.

We work closely with a wide variety of partners from other sectors including Suffolk County Council, Borough and District Councils, Town and Parish Councils, Health and Police, along with partners from the private sector such as New Anglia Local Economic Partnership and local businesses.

All these parties have a vital role in improving the lives of people in Suffolk and by working together we ensure Suffolk is the best place it can be for all those living and working here.

Community Action Suffolk's vision is that Suffolk is a county where every community aspires, thrives and grows.

Why work for Community Action Suffolk?

Here's what our staff have to say...

"Every day is different at CAS because the services we offer are so varied, and you never quite know what ideas or challenges our customers will want support with. This provides lots of opportunities to connect and collaborate with colleagues across the organisation, who may be working with the same people, or have relevant knowledge or skills to support you with your work. Working in this way is a great way to get to know colleagues across different teams and to share ideas and experiences, and staff are very supportive of each other.

As an organisation, CAS enables staff to have an effective work life balance, through blended working policies, and flexibility with working hours when needed. Due to this, I have been able to move from part time working into a full time role that fits around my commitments as a parent.

In the 6 years I have worked for CAS I have been able to progress through variety of roles. Having started at CAS as the receptionist, this gave me a great understanding of the wide range of services and support that CAS provides. I have been given the opportunity to undertake training, learn new skills and work on a variety of projects over the years and now co-ordinate 2 projects within the organisation." **Liz - Community Food Partnership Officer**

"CAS show they care for their employees. As I had dedicated 10 years to customer service at XXXX, I was nervous about moving on to a new career, but CAS has definitely proved most beneficial for me and my family. My health and wellbeing have improved massively and the work environment, including all the staff, have been most welcoming – it's a joy to be at work."

Hannah - CAS Subsidiary Officer

"Having worked in the corporate world for over 30 years. Working for CAS has been like a breath of fresh air. I received a very warm and professional induction. The staff are extremely helpful, friendly and nothing is too much trouble. A thoroughly enjoyable place to work."

Trevor – Head of Voluntary & Community Action

"When I started working at Community Action Suffolk, I was taking a leap from part time work around my young family to working full time. They assured me that flexible working was in place and now, nearly two years on, I wish I had joined sooner! CAS ensures there doesn't have to be a choice between being a parent, or working, by allowing for there to be a healthy work-life balance. The team is amazing, everyone supports each other, it really is a joy to come to work and see colleagues. Everyone is valued and, as an organisation, the staff really are kept at the heart of the work they do. Training opportunities, personal CPD and staff progression are encouraged, which allows for personal and professional growth at your own pace. The projects that CAS run are really varied, but everyone supports each other and genuinely takes interest in what is going on within the community. I feel fortunate to be part of a fantastic organisation who I am proud to represent and work for."

Sarah - Community Development Officer

"Well, what can I say! I've been here since 1998 and I can honestly say I fell into my first job here purely by chance. I didn't know anything about the charity or what it did at that point, and I applied on a whim! I liked the sound of it. I started as a part time secretary and librarian (for the smallest library ever!). Since then, I have undertaken various roles at CAS and within one of its predecessor organisations, varying from working with Village Halls, being the Rural Transport Partnership Officer, Quality Standards Officer, Reception and Buildings Supervisor and Community Oil Buying Co-ordinator! Pretty varied roles I'm sure you'll agree. Currently my work is around undertaking Research and supporting our Network Membership scheme. The one consistent thing throughout my time with CAS is the lovely people you get to meet and work with. That is the overriding comment made when people join or leave the organisation, that everyone here is lovely and that we all work as a team. Though many of us work in different areas, on different projects and at different times of the day and week and from different locations, there is always someone around who you can bounce ideas around with, ask for help from or simply have a chat with."
